Presented to: Mayor Iverson and City Council Members

Presented by: Robb Linwood, City Administrator

Department: Administration

Reference: Work Session – June 17th, 2025

Method: New Business

Background:

The City Council will hold a work session on Tuesday, June 17, 2025, at 5:30 PM to discuss next steps and available options for the Wyoming Public Safety Building project.

This session will include a review of the outcomes from the recent Minnesota legislative special session. While few, if any, local projects received bonding support, staff will provide an update on the status of the City's request and identify any remaining funding avenues or state-level opportunities.

Staff will also present updated project timelines, grant opportunities, and alternative funding strategies. Council input will help determine a path forward to ensure the project continues to meet the City's operational goals, financial responsibilities, and community safety priorities.
