CALL OF ROLL:

DETERMINATION OF A QUORUM:

NEW BUSINESS:

1. Liberty Ponds HOA request to discuss potential funding mechanism for their community septic system.

ADJOURN

Request for Council Action

Date: December 12, 2025

Presented to: Mayor Iverson and City Council Members

Presented by: Robb Linwood, City Administrator

Department: Administration

Reference: Liberty Ponds HOA Request

Method: New Business

Background Information:

At the request of residents from the Liberty Ponds development, the City Council will hold a work session to hear concerns related to their community septic system and to discuss potential funding options that may involve the city. As part of this request, residents have identified the Clean Water Partnership loan program as a potential option and have asked for the opportunity to address the council, share their concerns, and ask questions regarding the City's possible role or assistance.

The City Council has previously reviewed several funding options related to the Liberty Ponds community septic system, including the Clean Water Partnership loan, during discussions in 2024 and 2025. This work session is intended to better understand the residents' concerns and their request related to the Clean Water Partnership loan or other funding mechanisms.
