5:30 PM**

CALL TO ORDER:

CALL OF ROLL:

DETERMINATION OF A QUORUM:

PLEDGE OF ALLEGIANCE:

NEW BUSINESS:

1. City Facilities Discussion - Wold Architects and Kraus Anderson

ADJOURN

Request for Council Action

Date: April 24, 2026

Presented to: Mayor Iverson and City Council Members

Presented by: Robb Linwood, City Administrator

Department: Administration

Reference: Facilities Discussion

Method: New Business

Background Information:

The City continues to advance planning for its Public Facilities Project, which includes the renovation and expansion of a the Fire Department facility at 26885 Forest Boulevard and the renovation of 26263 Forest Boulevard for future City Hall operations. These projects represent a coordinated effort to modernize facilities, improve service delivery, and address long term space and operational needs. As the project moves through design development, updated cost estimates and timelines are being prepared to reflect current conditions and project assumptions.

Staff has been working with Wold Architects and Engineers and Kraus-Anderson to refine project costs and scheduling. At the upcoming work session, the project team will present updated estimates and a revised timeline based on current design progress and market conditions. This discussion will review the current status of the project and will help inform direction on project scope, budget alignment, and readiness to proceed toward final design and bidding.
